

Environmental Policy Statement

Introduction and Aims

SAS Shopfitters Ltd is committed to minimising the impact of its activities on the environment. The key points of our strategy to achieve this are:

- Minimise waste by evaluating all aspects of our business and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst our customers.
- To work with suppliers who have an environmental policy and actively recycle.
- Minimise emissions through the selection and use of our fleet.
- Meet or exceed all the environmental legislation that relates to the Company.
- To work with a carbon offsetting organisation to offset the greenhouse gas emissions generated by our activities.

Responsibility

This environmental policy applies to all areas of our work including, management, office services, supplier procurement and delivery and installation on site. Dereck Lang, Managing Director, is responsible for ensuring that the policy is implemented. However, all employees have a responsibility in their area to ensure that the aims and objectives of the policy are met.

Targets

To achieve our aims, we have set ourselves the following targets:

- inform all customers and suppliers about our environmental policy by May 2010 and, thereafter, all new customers and suppliers
- to record all mileage and energy usage from our activities starting April 2010 and offset our carbon emission with a carbon offsetting organisation
- then each subsequent year work towards reducing our carbon emissions by 5%

Monitoring and auditing

Progress against these objectives will be monitored and reviewed by the managing director every six months.

Communication

If you would like to discuss our progress against our objectives, please telephone 01555 896999. This policy and the annual review of our progress will also be available on our website at <http://www.sasshopfitters.co.uk/>
